This Memorandum of Understanding (hereinafter referred to as MoU) is made on this 07.01.2022
-- day of the month of **January** in the year **2022** by and between the **ICAR- Central Institute
of Freshwater Aquaculture** (Name of the ICAR Institute) having its

Head Office at **KAUSALYAGANAGA, BHUBANESWAR** [hereinafter called " ICAR-CIFA " / First party], a constituent Research Institution of the Indian Council of Agricultural Research, Krishi Bhavan, New Delhi-110 001 on the **ONE PART** and the **MITS School of Biotechnology**- [Name of the AU/ICAR-DU (Within NARS) or Central/State Govt./Public Sector Funded Institution/State University/Autonomous Body/**Private University or Institution** having its headquarters at **Bhubaneswar, ODISHA, INDIA** , [hereinafter called " **MSB**" /Second party] on the **OTHER PART** (who for the purpose of this MoU are hereinafter collectively referred to as the parties).

The parties, having discussed fields of common research interests and allied activities between the two institutions, have decided to enter into long-term collaboration for promotion of students' training and quality postgraduate research in cutting edge areas in accordance with the provisions contained in the Guidelines issued *vide* Letter No. 2-8/2012-HRD dated 11th December, 2012 or as revised from time to time.

WHEREAS the "ICAR-CIFA" is involved in the studies on Freshwater Aquaculture (Fish genetics and biotechnology, fish health management, fish nutrition and physiology, fisheries extension, economics and information sciences etc.)

AND WHEREAS the "MITS School of Biotechnology, established in the year 2003 with due recognition from the Department of Higher Education, Govt. of Odisha and affiliated to Utkal University, Bhubaneswar, is involved in Biotechnological research and education etc.

AND WHEREAS it has been considered expedient to agree in writing to participate jointly in the projects requiring expertise and logistics from both the parties.

(Signature of First Party)

(Signature of Second Party)

Article 1. Scope

- 1.1 The **MSB** will recognize the **ICAR-CIFA** as an Institute for conducting research related to the thesis requirement of the research students for **Ph.D/M. Phil /Masters**. The **MSB** will recognize Scientists of the ICAR Institute as recommended by its Director in accordance with the University rules and regulations for guiding students working for the said degree.
- 1.2 Operational details of research effort and collaboration will be made in common research programmes and/or projects restricted to specific mandated domain within the approved disciplines/divisions. The objective(s) for research work for a student coming from a Second party outside NARS should be exclusively different as far as possible.
- 1.3 Research instrumentation facility and library facilities available with the **ICAR-CIFA** and the **MSB** will be made available to the faculty and research scholars. However, the costs of specific consumables will be borne by the respective organizations.
- 1.4 There shall be an exchange of students for academic, research and training purposes. Accommodation in the Hostel shall be arranged, wherever possible, as per extant rates. The duration of exchange visits will be determined by mutual consent between both the parties.

Article 2. Management

- 2.1 **Director** of the **ICAR-CIFA** and the **Vice-Chancellor/Head of the Institution of the MSB** will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.
- 2.2 The Advisory Committee will meet at least once in a year alternatively in the institutions of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and scientists.

Article 3. Exchange of Information

- 3.1. The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.
- 3.2. The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

Article 4. General Provisions

- 4.1 It is understood that the **ICAR-CIFA** and the **MSB** subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of non-discrimination.

(Signature of First Party)

(Signature of Second Party)

- 4.2 Both parties understand that all financial agreements will have to be negotiated separately and will depend on the availability of funds.
- 4.3 Both parties acknowledge that exchange of students from one party to the other shall be subject to the availability of funds and shall comply with the regulations and policies of the First party and the Second party.
- 4.4 Any research publications arising will be jointly published in accordance with the provisions laid out in Item 3.2.1C of the Guidelines for the students to conduct research for their degree programme as trainees at ICAR institutions as notified *vide* Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised guidelines, if any, as may be issued from time to time.
- 4.5 A copy of the thesis/dissertation will be submitted to the **ICAR-CIFA** after the award of the degree by the **MSB**.
- 4.6 All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. Disagreements at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.
- 4.7 All questions not foreseen related to this MoU will be handled by the parties by mutual agreement.
- 4.8 Nothing in this MoU is intended to affect other cooperation or collaborations between the parties.

Article 5. Intellectual Property Rights

- 5.1 The **MSB** will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the student's research work. The **ICAR-CIFA** and the **MSB** shall be the joint applicants for IPRs and the students and involved scientific staff shall be included as the inventor/breeder/author. The 'ICAR Guidelines for Intellectual Property Management and Technology Transfer/Commercialization' as amended from time to time shall be the reference for exploitation of the generated intellectual property, whose management and benefits sharing shall be mutually decided in each case.

Article 6. Admission and Fees

- 6.1 All those who wish to register as trainees or for Master/Doctoral programme under this MoU must apply for admission at the **MSB**. The allocation of Major Guide/Advisor would be finalized before the registration and will be governed by the provisions laid out in Items 3.2.1A and 3.2.2A of the Guidelines for the students to conduct research for their degree programmes as trainees at ICAR institutions as notified *vide* Letter No. 2-8/2012-HRD dated 11th December, 2012 or revised Guidelines, if any, as may be issued from time to time, for the students from within NARS and outside NARS, respectively.
- 6.2 Admission of the students and the award of degrees for different programmes will be the responsibility of the **MSB** as per the rules and regulations.
- 6.3 Allotment of the students at the **ICAR-CIFA** will be done by the approval of Director of the **ICAR-CIFA** and Vice-Chancellor/Head of the Institution of the **MSB**.
- 6.4 The **ICAR-CIFA** and **MSB** would have the right to screen the student's eligibility for admission based on their academic period.

(Signature of First Party)

(Signature of Second Party)

- 6.5 The PME Cell of the **ICAR-CIFA** in consultation with the representative of the **MSB** shall decide the location and sharing quantum of research work.
- 6.6 The number of student(s) at any particular time will be subjected to the availability of research facilities and scientists' time to guide thesis research at the **ICAR-CIFA** institution.
- 6.7 Any student(s) admitted to the **ICAR-CIFA** for training/postgraduate research, if found violating the rules and regulations laid down by the **ICAR-CIFA** or indulge in such activities that amount to tarnishing the image of the Institute, or cause damage to the property, the registration of such student(s) would be summarily terminated. The Second party will not complete the formalities of issuing the certificates to such students until they compensate the losses to the **ICAR-CIFA**.
