The Department of Computer Sciences conducted a Three days program on Career Guidance for CPET (Common PG entrance test ) form 15-07-2021 to 17-07-2021 . The resource person gave a outlook to the participants by providing guidance for CPET (Common Postgraduate Entrance Test), She also conveyed to the participants the objectives and learning outcomes are crucial to ensure that students are well-prepared for the exam

The session ended with vote of thanks by Coordinator

Objectives :

- 1 Ensure that students have a deep understanding of the entire syllabus for the CPET exam. Cover all subjects and topics that are part of the exam curriculum.
- 2 Provide students with effective study strategies, including time management, note-taking, and revision techniques, to enhance their learning process.
- 3 Prepare students for the exam environment by conducting regular mock tests. This helps them practice time management and improve their confidence levels

**Learning outcomes:**

- 1 Focus on developing a strong conceptual understanding of subjects.
- 2 Encourage students to delve deep into topics, ensuring they are not just memorizing but truly understanding the underlying principles.
- 3 Enhance students' problem-solving skills by providing a variety of practice problems and teaching them different problem-solving techniques.
