PROGRAM REPORT

Name of the Event: Three days program on Career Guidance for CSIR – NET exams

Date: 20-02-2019 to 23-02-2019.

Resource Person: **Prof. Siddhartha Parida**
Assoc. Professor
Dept Of Biotechnology
MSB, Bhubaneswar.
Contact: sidharth4@gmail.com

Coordinator: **Dr. R.R.Mishra**
Assoc. Professor,
Dept. of Biotechnology
MSB, Bhubaneswar

Number of students attended: 92

Venue: Seminar Hall, MITS School of Biotechnology.

The Department of Biotechnology conducted a three days program on Career Guidance for CSIR – NET exams from 13-09-2022 to 15-09-2022. The program commenced with an introductory session outlining the structure and importance of the CSIR NET exam. The resource person provided insights into the exam pattern, marking scheme, and key topics. Interactive discussions and Q&A sessions were immensely helpful in clarifying doubts and setting the tone for the rest of the program. The session was engaging and interactive, allowing participants to actively participate and seek clarifications. A mock test designed to simulate the actual CSIR NET exam conditions. The program concluded with a motivational session, inspiring all participants to stay focused and work diligently towards their goals. The session ended with vote of thanks by Coordinator

Objectives :

- 1 Master the fundamental concepts in your chosen subject.
- 2 Develop the ability to solve complex problems related to your field..
- 3 Understand how to apply theoretical knowledge to real-world scenarios. CSIR NET questions often test your ability to apply concepts in practical situations.

Learning outcomes:

1. The program provided a clear understanding of the CSIR NET exam pattern and syllabus, laying a strong foundation for preparation
2. The expertise of the faculty members was evident, and their guidance on important topics was invaluable.
3. Taking a mock test under exam conditions was incredibly useful, helping me manage time and stress effectively.

The Computer science department of MITS COLLEGE OF BIOTECHNOLOGY conducted a three days career counseling programme on **Different Professional Master courses for IT sector** from 25-09-2018 to 27-09-2018 at our college in Conference Hall. This program was initiated by our HOD. Designing a career counseling program to explore various professional master courses within the IT sector can significantly benefit individuals aiming to advance their careers. The session ended with vote of thanks by HOD.

Objectives:

1. Familiarize participants with the diverse professional master courses available within the IT sector, including topics such as data science, cybersecurity, software engineering, and IT management.
2. Provide insights into the curriculum and course structure of different professional master programs, including core subjects, elective options, and practical components.
3. Help participants explore potential career opportunities and growth trajectories associated with different professional master courses within the IT sector.

Pg 1 of 2

Learning Outcomes:

1. Participants are equipped to make well-informed decisions regarding the selection of professional master courses that align with their career aspirations and interests within the IT sector.
2. Participants gain a comprehensive understanding of the curriculum, learning outcomes, and practical applications associated with different professional master courses within the IT sector.
3. Participants gain clarity on potential career pathways and job prospects associated with specific professional master courses, enabling them to make strategic career choices.
