EINSTEIN COLLEGE OF COMPUTER APPLICATION & MANAGEMENT

(Managed by Udayanath Educational & Charitable Trust, Bhubaneswar)

i) Background:

- 1) Einstein College of Computer Application and Management, established in 2022, under the aegis of Udayanath Educational and Charitable Trust, Khordha, Odisha with the vision to be an institution of excellence igniting business and computing minds, nurturing them to quality human resources.
- 2) The MITS School of Biotechnology (MSB), established in 2003, under the governance of Basantdevi Charitable Trust, Bhubaneswar, aspires to become a world-class hub, influencing technical expertise and research in life sciences, IT and management. MSB envisions itself as a beacon of excellence in biotechnology and IT education, training, research and ongoing professional development for a diverse student population in Odisha region.

ii) Objective: Both the Parties mutually agree on:

1. To promote and enhance academic, socio-cultural interest between both the institutes.
2. To provide advice for implementation of quality of co-curricular activities between both the institutes.
3. To cooperate research and continuing education activities between parties.
4. To give guidance for quality improvement, leading to accreditation by Organisation for Quality assessment.
5. To foster a professional environment in support of projects related to science and IT, engage senior faculty or experts.

iii) Scope of Collaboration:

1. Focus on continuous enhancement activities to improve the quality of teaching staff.
2. Impart academic interaction with special lectures on topics of relevance to modern industry.
3. Provide necessary help in organizing sports, cultural and co-curricular and personality development programs for enhancement of skills in respect of students, teachers and staff.

iv) Terms & Conditions:

1. The cost of development of infrastructure at both parties should be borne by themselves.
2. Both parties agreed to collaborate in identifying and inviting students from each institution to partake in activities aimed at fostering comprehensive youth development.
3. This MOU may be amended, removed and terminated by mutual written agreement of the parties at any time.

v) Confidentiality:

Both the parties agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.

i) Background:

- 1) Gandhi Institute for Education and Technology (GIET), established in 2009, under the aegis of Satya Panda Basanta Manjari Foundation, Khordha, Odisha with the vision to be a global leader in providing Technical Education, Research and Innovation.
- 2) The MITS School of Biotechnology (MSB), established in 2003, under the governance of Basantdevi Charitable Trust, Bhubaneswar, aspires to become a world-class hub, influencing technical expertise and research in life sciences, IT and management. MSB envisions itself as a beacon of excellence in biotechnology and IT education, training, research and ongoing professional development for a diverse student population in Odisha region.

ii) Objective: Both the Parties mutually agree on:

1. To promote and enhance academic, socio-cultural interest between both the institutes.
2. To provide advice for implementation of quality of co-curricular activities between both the institutes.
3. To cooperate research and continuing education activities between parties.
4. To give guidance for quality improvement, leading to engagement and participation for student learning outcomes.
5. To foster a professional environment in support of projects related to science and IT, engage senior faculty or experts.

iii) Scope of Collaboration:

1. Focus on continuous enhancement activities to improve the quality of teaching staff.
2. Impart academic interaction with special lectures on topics of relevance to modern industry.
3. Provide necessary help in organizing sports, cultural and co-curricular and personality development programs for enhancement of skills in respect of students, teachers and staff.

iv) Terms & Conditions:

1. The cost of development of infrastructure at both parties should be borne by themselves.
2. Both parties agreed to collaborate in identifying and inviting students from each institution to partake in activities aimed at fostering comprehensive youth development.
3. This MOU may be amended, removed and terminated by mutual written agreement of the parties at any time.

v) Confidentiality:

Both the parties agreed to hold in confidence all information/data designated by the parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.

GANDHI INSTITUTE FOR EDUCATION & TECHNOLOGY

(NAAC Accredited A+ Grade Engineering College)

BANIATANGI, BHUBANESWAR, KHORDHA - 752060

(Approved by AICTE & Govt. of Odisha, Affiliated to BPUT & SCTE&VT)

vi) Tenure and Termination:

This MOU will take effect from the date it is signed by representatives of the two institutions. The validity of the agreement is one year from the date of the agreement. Either institution may terminate the MOU by giving written notice to the other institution 30 days in advance. However, First party and Second party will ensure that all activities in progress are allowed to be completed successfully.

**This MOU is signed subject to approval of the respective academic/administrative bodies.

WHEREAS The Purpose of this MOU is to establish collaboration between the First Party and the Second Party to facilitate and enhance student progression in higher studies especially abroad opportunities for students enrolled at various institutes and Universities.

i. Services Provided by the First Party:

1. The First Party agrees to provide comprehensive advisory services and to assist the concerned students of the Second Party in creating, promoting, and managing study abroad programs.
2. The services may include but are not limited to:
 - a. Consultation on Program Development and Design.
 - b. Assistance in identifying appropriate international partner institutions.
 - c. Guidance on logistical arrangements, including housing, travel, and cultural immersion opportunities.
 - d. Continuous support and resources for students before, during, and after their study abroad experience.
 - e. No financial obligations shall be carried by either of the parties on any behalf.

ii. Collaboration:

1. The Second Party agrees to collaborate with the First Party in developing study abroad programs that align with the academic goals and standards of interested students.
2. Both parties will work closely to ensure that study abroad programs adhere to all necessary academic and administrative requirements at paying cost of interested students.

iii. Responsibilities:

1. The Second Party will designate a liaison officer or committee to coordinate with the First Party's proposal of conducting or organizing awareness programs, quality enhancement programs, and opportunity-based study abroad programs either at venues mutually agreed by both parties.
2. The First Party will allocate resource persons to provide ongoing support and guidance to the Second Party throughout the planning and execution of programs specified in clause (iii.1) and related to study abroad initiatives.

iv. Confidentiality:

1. Both parties agree to maintain the confidentiality of sensitive information shared during the collaboration.
2. The First Party will not disclose any proprietary information belonging to the Second Party without prior written consent.

v. Tenure and Termination:

1. This MOU shall commence on the date of signing and remain in effect for a period of two years unless terminated earlier by mutual agreement or due to breach of terms.
2. Either party may terminate this agreement by providing a written notice of termination to the other party one week in advance.
3. Upon termination, both parties agree to complete any ongoing obligations and ensure a smooth transition regarding ongoing study abroad programs.

This Agreement shall be governed by the laws of India without regard to any conflict of laws. If any dispute and/or difference arises between the Parties hereto during the subsistence of this MoU or thereafter, in connection with the validity, interpretation, implementation, or alleged material breach of any provision of this MoU or regarding any question, the parties hereto shall endeavor to settle such dispute and/or difference amicably.

THIS MoU IS SIGNED AND EXECUTED SUBJECT TO APPROVAL OF THE RESPECTIVE ADMINISTRATIVE BODIES AS OF THE DAY AND YEAR FIRST ABOVE WRITTEN.

----- Our Collaborations & Capacity Development Programs offered by -----

Objective:

1. The First Party and the Second Party mutually agree to collaborate on implementation of the PMGDISHA (Pradhan Mantri Gramin Digital Saksharta Abhiyaan), to bridge the digital divide that specifically targets the population, including students and staff (Scheduled Castes (SC) / Scheduled Tribes (ST), Minorities, Below Poverty Line (BPL), Women, Disabled and Minorities.) at MITS School of Biotechnology (Under the governance of Basantdevi Charitable Trust), Bhubaneswar
2. PMGDISHA project will empower citizens especially by training them to operate computer and other digital access devices for sending and receiving e-mails, browsing the Internet, accessing citizen government services, and making digital payments. etc. to actively participate in the nation-building process.

Scope of Collaboration:

- 1) The First Party shall provide necessary infrastructure and technical assistance for enrollment to the PMGDISHA (Pradhan Mantri Gramin Digital Saksharta Abhiyaan) program and will conduct assessment/examination for the same.
- 2) The training program will be conducted on self- paced mode, spanning a total duration of 20 hours (min 10 days – max 30 days).
- 3) The Second Party shall arrange for the enrollment of students and staff for the PMGDISHA (Pradhan Mantri Gramin Digital Saksharta Abhiyaan) program in the campus.

Responsibilities:

- 1) The First Party shall ensure that all students and staff register and necessary data collection.
- 2) The First Party shall provide the necessary infrastructure and support for both enrollment and assessment of PMGDISHA (Pradhan Mantri Gramin Digital Saksharta Abhiyaan) program at their premises.
- 3) The Second Party shall enroll all the students and staff provided by the Second Party.
- 4) The Second Party shall ensure the training enrollment process and training will be conducted free of cost for all the students and staff at MITS School of Biotechnology (Under the governance of Basantdevi Charitable Trust), Bhubaneswar
Upon successful completion of the program, the Second Party shall facilitate the issuance of Government certificates to all the students and staff.

Terms and Conditions:

- 1) The collaboration period shall commence on 05.04.2023 and will be effective for three years, subject to availability of program by the Government of India.
- 2) Both parties shall maintain the confidentiality of any proprietary information shared during the collaboration.
- 3) Any modifications or amendments to this MoU shall be made in writing and agreed upon by both parties.
- 4) This collaboration is subject to the availability of resources and compliance with government regulations.
- 5) Either party may terminate this collaboration by providing written notice at least 30 days prior to the intended termination date.

Governing Law and Jurisdiction

This MoU shall be governed by and construed in accordance with the laws of Government of India. Any disputes arising in connection with this MoU shall be subject to the exclusive jurisdiction of the courts in New Delhi

This MoU will become effective from the date of execution as mentioned above.
