## Action Taken Report

Academic year: 2018-19

### Name of the Stakeholder: Student

A staff council meeting has been convened by College Academic Committee with all the in-charges / Heads of the Departments under the Chairmanship of the Principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The Heads of the Departments in turn have conducted a meeting in their departments and explored the possibility of action plan to be implemented in accordance with the demands of the stakeholders.

Students Feedback above 90% is considered as positive feedback, below 90% as a thumbs down feedback and we are working for the improvement.

S.No	Question	Feedback / Concern	Percentage Consensus	Action To be taken
1	Please rate the overall effectiveness of the curriculum in meeting your educational goals.	Good	85	We will enhance the curriculum based on student feedback to better meet their educational goals.
2	How would you rate the availability and accessibility of learning resources?	Good	85	We will improve the availability and accessibility of learning resources, such as textbooks, online materials, and lab facilities, based on students' feedback.
3	How would you rate the balance between theory and practical applications in the curriculum?	Good	87	We will adjust the curriculum to achieve a better balance between theory and practical applications, taking into account students' feedback.
4	How would you rate the relevance of the curriculum to your chosen field of study?	Good	88	We will revise the curriculum to ensure its relevance to students' chosen fields of study based on their feedback.
